user_rt	In 2020, global health went local. COVID-19 has shown us that what happens in one part of the world matters to the rest of it. If we make sure that the pandemic response reaches everyone, everywhere, we can create a world that's healthier, more equal, and more resilient. https://t.co/uhS6vt6qp8

user_rt	I believe that women can be the architects of a better world. Their stories have instilled in me both a sense of urgency and of possibility. I hope they do the same for you. The paperback edition of The #MomentofLift is out today with a new afterword. https://t.co/3vAPPTgieD https://t.co/ebV5fXTIQm

	tweet	One of the benefits of being 65 is that I'm eligible for the COVID-19 vaccine. I got my first dose this week, and I feel great. Thank you to all of the scientists, trial participants, regulators, and frontline healthcare workers who got us to this point. https://t.co/67SIfrG1Yd
